At 6:35 pm 4/22/68, John Mapother, Clandestine Service, Central Intelligence Agency (CIA), furnished the following information to Night Supervisor James F. McGuire by telephone:

CIA sources in Panama have reported two American citizens are being detained in Panama City, Panama, at the request of the Costa Rican authorities. Allegedly, they are being detained in connection with the assassination of Martin Luther King. These individuals are identified as Tom Wolman, born 7/17/44 in New York. Wolman has Passport Number J085474, issued 1/29/68, and his permanent residence is shown as 30 Larrys Lane, Pleasantville, New York. The other individual is identified as Douglas Harry Hulbard, Passport Number 330926. Hulbard is described as a former soldier who has returned to Panama to be married. CIA did not have any further descriptive data regarding Hulbard.

These two individuals were traveling in a Chevrolet, License Number 23GH19, Motor Number 13 387 13 113711. The vehicle and license plates could not be further described by CIA. According to CIA, Wolman's passport indicates he had entered and departed El Salvador and Honduras on 4/17/68; Nicaragua on 4/18/68.

Mr. Mapother advised he has no indication why the Costa Rican authorities have requested the detention of the above-described individuals. Further, he does not know of any factual connection of these individuals with the King case. He said CIA sources were trying to develop this matter further. He also advised that CIA would send the FBI a written communication concerning this matter on 4/23/68.

At 9:10 pm 4/22/68, Norman Poulin, CIA, orally advised that a check had been made with the Costa Rican authorities and determined that Costa Rica has no information regarding the above-mentioned individuals; that Costa Rica did not request Panamanian authorities to hold these individuals, that they have no request from any American authorities to detain them; and that they have

FOR IMMEDIATE RELEASE:

In observance of the tenth anniversary of President Kennedy's death, the Committee to Investigate Assassinations is sponsoring a two-day Conference at Georgetown University on November 23rd and 24th. A brochure describing the Conference and its program is attached. As you will note, several of the Nation's prominent writers and investigators of the assassinations of the past decade will speak.

While a number of different points of view on the subject will be represented, there is general consensus that the Executive Branch has failed to make known all the relevant facts of the assassinations.. We believe that the Congress must ultimately take the initiative if the public is to learn all of the facts, and that Watergate has shown us that Congress' action depends largely on disclosures by an informed press and other news media.

A press pass will be available for you at the Conference registration desk. For further information, please contact:
